(920)623-4160

W12335 WI-16 Columbus, WI 53925

Red Mulch \$40/cu. yard

Virgin wood fibers that are tumbled in a coloring agent. Colored mulch is environmentally friendly, retains its color for 2 seasons or more and is slow to decompose.

Brown Mulch \$40/cu. yard

Virgin wood fibers that are tumbled in a coloring agent. Colored mulch is environmentally friendly, retains its color for 2 seasons or more and is slow to decompose.

Hardwood Bark Mulch \$34/cu. yard

The most economical ground cover available. Reduces weed growth, retains ground moisture and adds valuable soil nutrients.

Northern White Cedar \$42/cu. yard

Aromatic, insect resistant, and slow to decompose. It is a combination of bark and wood fiber. A medium to coarse texture and golden in color.

River Rock available in 2 sizes, either size \$75/ton

Small $\frac{3}{4}$ " average size

Large 1 $\frac{1}{2}$ " average size

Compost \$52/cu. yard. Locally produced, all natural ingredients. One cubic yard covers about 324 sq. ft. when applied 1" deep. Should be used as a soil amendment or light top-dressing.

Gift certificates available!

We also carry sand at \$32/yard, gravel at \$25/ton, decomposed granite at \$54/ton and pulverized top soil is \$59/yard.

Delivery available. Please call for quote!
Call for delivery and product availability.

Prices subject to change.

As general rule, one cubic yard covers approximately 100 square feet, 3 to 4 inches deep. A calculator is available at Duffylandscape.com to assist you. Hours are Monday-Friday from 8am-6pm, except on holidays. To setup delivery or pickup please call 920-623-4160. Cash, check or credit card payments will be accepted.
